

DETAILS OF MULTI TV POLICY FOR DISHTV

DishTV offers its subscribers the freedom to avail additional connections at a discounted price. Subscribers can avail up to 3 multi connections in addition to their Primary connection and can choose to have different content on each multi connection or “mirror” the same content as their primary connection. In case the subscriber does not choose any specific channel/pack, same content as primary connection will be offered in the multi connection(s). Charges applicable would be as follows:

- Flat NCF of Rs. 50 (plus taxes) is applicable on each of the 2nd, 3rd and 4th DishTV connection.
- In addition to the NCF, content charges (DRP of the channels/ bouquets) plus taxes will be applicable on actual basis on primary and each of the multi connections.

For all practical purposes, connection with maximum content (no. of channels) will be considered as “Primary”. For content calculation purposes, 1 HD channel is considered equal to 2 SD channels.
